THE BOSSO MEDICINE MFG. CO.,  
PENSACOLA, FLA.,

Gentlemen:

While in Havana during the early part of September last, I suffered from a severe attack of Dengue Fever, and upon my return to New Orleans I still had daily attacks of slight fever, which, despite the remedies prescribed by my Physician, clung obstinately to me, until a friend of mine gave me three bottles of your fever remedy, which I took according to directions for two days, and much to my surprise all signs of the fever left me; my general health was also very much improved.

The medicine certainly does all you claim for it.

## CITY JAIL WAS FUMIGATED TUESDAY.

Which Had the Effect of Driving Prisoners to the Yard and Officers to the Street.

The city jail was empty yesterday afternoon for the first time in many years. Not even an officer was in the place, and not a prisoner was locked in a cell. The cause of such a condition was the fumigation of the jail, where the stegomyia and other species of the mosquitoes have been holding forth for many nights and days.

The prisoners were allowed to go into the back yard during the fumigation, while Marshal Schad and Turnkey Murphy made for the street, where they remained until the fumes of the burning sulphur had passed from the building.

It was amusing to note the manner in which persons acted who passed the station door. Some would walk into the smoke which was pouring from the door, before they realized it, and as soon as they got clear of it, they would begin sneezing and talking of the fumigation. Even a dog was affected in this manner, with the exception of using the bad language regarding the fumes.

One old negro woman who was passing was affected more than others, and between sneezes, she muttered, "Dat dare stuff is enuff to kill yellow fever and all other fever, let alone a poor little ole skeeter."

## McDAVID.

Special to The Journal.

McDavid, Oct. 17.—It has been quite a while last you hear from our little village, but nevertheless it is no sign that we are not still in existence. Your correspondent has been keeping quiet for lack of news. These days there doesn't seem to be much doing socially, and business is dull everywhere.

Everyone appears to be enjoying the delightful weather we have been having for the past few days. These cool mornings give the impression that we will not have to wait much longer for a heavy frost.

The protracted meeting, which was to have commenced this week at Ray's Chapel, commencing on the 17th instant, was postponed indefinitely on account of so much illness in the community. Rev. J. T. Fillingim filed his usual appointment Sunday at eleven o'clock and quite a large and appreciative congregation was in attendance.

The many friends of Miss Carrie Bowman are grieved to learn that he is at home suffering with a very severe attack of La Grippe. Mr. Bowman has been acting as night operator at the relay camp near Flomston. After a few weeks spent here as the guest of Mrs. J. E. Bowman, Mrs. D. F. Parker left Saturday for Century where she will visit her sister, Mrs. Wm. Bowman.

Died.—At the age of seventy-three, Judge Geo. W. Harrison, a highly esteemed and respected citizen of our community passed peacefully away at his home Monday night at 7:30 in spite of all that medical science or loving hands could do. The interment took place at the Bogie cemetery Tuesday afternoon and was attended by a host of friends and relatives who deeply mourned their loss.

It's a mistake to imagine that itching piles can't be cured; a mistake to suffer a day longer than you can help. Doan's Ointment brings instant relief and permanent cure. At any drug store, 50 cents.

ONE SUSPICIOUS CASE AT  
THE COUNTY JAIL

One suspicious case of fever exists at the county jail, but so far it has not been diagnosed as being any particular fever. The patient is a negro, who has been confined there for some time.

Jailer Bobe denies that the jail was fumigated during yesterday, as there is no possible way to fumigate the jail, without transferring the sixty or more prisoners to some other place. He also denies emphatically that he endeavored to suppress anything about the suspicious case, as was reported in the afternoon paper.
